

CoolSprings Youth Volleyball League

Our Youth League has been designed for athletes looking for a competitive experience to help take their game to the next level. Teams will practice once a week and compete in gameplay.

What is the Youth League?

The Youth League is a program that focuses on game play. It has been developed to compliment the other clinics and camps offered at CoolSprings Volleyball. It is designed to give players an opportunity to apply their skills to a game. Sessions are a combination of individual skill development, team development, and game play. It is designed for all levels and experience.

Our Youth League is divided into four different levels. Teams will be grouped by grade and skill. Team sizes will be kept small (around 8-10 players) to maximize playing time.

- Level 1 – Grades 1-4
- Level 2 – Grades 5-6
- Level 3 - Grades 7-8
- Level 4 – Grades 9-12

Youth League Schedule

All practices will take place at CoolSprings.

Date	Levels 1 & 2	Levels 3 & 4
11/12	7:00-8:30	8:30-10:00
